BOARD MEETINGS

Next Board Meeting May 10, 2017

Village Board Meetings are typically held the 1st and 3rd Wednesdays of each month, starting at 7pm at the Village Hall.

Meetings are open to the public.

For current agendas see the posting locations: Elk Mound Village Hall, Elk Mound Post Office and Independence State Bank, as well as www.elkmound.org and click on board / committee agendas.

ELK MOUND POLICE DEPARTMENT

The Elk Mound Police Department is in transition. If you have an emergency, please call 911.

For non-emergency issues please contact the Dunn County Sheriff's Department at 715-232-1348.

BOARD OF REVIEW NOTICE

MAY 15, 2017

ELK MOUND VILLAGE HALL E206 Menomonie Street

The assessment roll will be open for public inspection from 3pm-5pm
Board of Review from 5pm-7pm

For full notice see www.elkmound.org, and click on current events.

PUBLIC WORKS NOTICE

The Water Department will be flushing mains starting May 8th through the 12th.

Low pressures and discolored water may occur. If you experience any issues, please contact the Public Works Department at 715-879-5805.

New 2017-2018 Official Wisconsin State Highway Maps are available at the Village Hall. Ask for a map at the clerk's office.

Paperless Utility Billing

If you are interested in receiving your monthly utility bill via email (instead of a postcard in the mail) please stop by the Village Hall to complete a short form, or download the form from www.elkmound.org. Click on water/sewer utility and paperless utility billing.

WARNING SIREN

When severe weather occurs, you will hear a steady tone for three minutes. Upon early warning, volunteers will attempt to set the Warning Siren to a STEADY TONE. This warning is to inform you to seek information from TV or RADIO. For residents that do not have adequate shelter, the Lutheran Church, 207 University Street, has offered the use of the church basement. Every effort will be made to get the rear (south) doors opened on alarm. **YOU SHOULD MAKE ALTERNATE PLANS IN THE EVENT THE CHURCH IS NOT OPEN!!**

Having a plan in place will minimize confusion when time is of the essence. Preplanning to bring flashlights, possibly a blanket, as well as making other arrangements for pets will make for quick access to shelter. (Please do not bring pets to the Church).

This plan will be in effect immediately and until further notice.

“Weather Alert” radios are available for purchase at local electronics or major department stores. These units can be used in addition to the local warning siren for early severe storm alerts.

According to Dunn County Emergency Management, the siren is intended to alert people outdoors that severe weather conditions are nearby. The sounding of these sirens is your cue to access local detailed weather information from radio or television and discover if there is an need to take further action. More information can be found on their site: www.dunn.wi.co.us, click on Departments, Emergency Management & Outdoor Warning Sirens.

(Continued)

Dunn County Communications Center is responsible for testing the emergency siren system. The Emergency Warning Siren is tested the first Monday of each month at 10:00 a.m. from April through October.

Standard emergency warning siren electro-mechanical tones are as follows:

- ALERT— Steady Tone, 3 minutes
- ATTACK— Wailing Tone, 6 sec. Hi/6 sec. Low, 3 min
- FIRE— Wailing Tone, 16 sec. Hi/8 Sec. Low, 4 Cycles
- GROWL— Short Burst, 2 Sec. Used for testing of siren only.

VILLAGE PARK IS OPEN

The 2017 park calendar is posted on our website under calendars, if you are considering renting the pavilion sometime in the summer of 2017, please check the calendar for available dates and contact the clerk’s office at 715-879-5011 to make your reservation.

COMMUNITY CENTER RENTAL INFORMATION

The community center room is available for small groups and parties up to 48 people.

Check the calendar of availability on the website at www.elkmound.org/content/calendar. The community center will show in green. Karate America is currently holding classes Tuesday and Friday afternoons / evenings.

Rental rates are as follows:

- \$25.00 up to 2 hours or 15 guests
- \$50.00 up to 4 hours or 15 guests
- \$75.00 up to 6 hours or 25 guests
- \$100.00 up to 8 hours or 45 guests

A discounted rate of \$15.00 will be available for senior citizen events not to exceed two hours.

Confirmation of your event date will be made after receipt of rental fees. Please contact the Village Hall at 715-879-5011 or email info@elkmound.org to reserve your date.

Please understand you are renting the community center portion only. As this building is combined with the Library, there may be other activity at the Library during their open hours.

Facility provides restrooms, tables and seating up to 45 people, garbage and recycling receptacles, TV with hookups for presentations. Kitchen facilities include refrigerator, sink and counter area and electrical outlets.

For a complete rental policy, check the attachment under www.elkmound.org under the community center / library tab.

Elk Mound Community Library Hours

Monday: 10am-4pm
 Tuesday: 10am-12pm, 12:30pm-6pm
 Wednesday: 10am to 4pm
 Thursday: 12pm-12:30pm, 3:00pm-7pm
 Friday: 10am-1pm

Streetlight Outage

If you notice a street light that is not functioning properly, please call the Public Works Department at 715-879-5805 with the following information:

1. Location of Street Light (Nearest Address)
2. Nearest Cross Street
3. Issue (Blinking Light, Light Not Operating, etc.)

Dunn County Recycle Center Hours of Operation

Wednesdays: 9:00 a.m. to 7:00 p.m.
 April 1st to October 31st
 Saturdays: 8:00 a.m. to 4:00 p.m.
 All Year Long

For further information, please call the Dunn County Solid Waste Division at
 715-232-4017

CONSUMER CONFIDENCE REPORT

2016 Consumer Confidence Report Data ELK MOUND WATERWORKS, PWS ID: 61702641

WATER SYSTEM INFORMATION

If you would like to know more about the information contained in this report, please contact Mark D. Levra at (715) 879-5011.

OPPORTUNITY FOR INPUT ON DECISIONS AFFECTING YOUR WATER QUALITY

Board meetings are held the first and third Wednesday of each month at 7:00 p.m. at the Elk Mound Village Hall, E206 Menomonie Street, Elk Mound, WI 54739.

HEALTH INFORMATION

Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. The presence of contaminants does not necessarily indicate that water poses a health risk. More information about contaminants and potential health effects can be obtained by calling the Environmental Protection Agency's safe drinking water hotline (800-426-4791).

Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune systems disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by cryptosporidium and other microbial contaminants are available from the Environmental Protection Agency's safe drinking water hotline (800-426-4791).

SOURCE(S) OF WATER

Source ID	Source	Depth (in feet)	Status
1	Groundwater	280	Active
2	Groundwater	352	Active

To obtain a summary of the source water assessment please contact, Mark D. Levra at (715) 879-5011.

EDUCATIONAL INFORMATION

The sources of drinking water, both tap water and bottled water, include rivers, lakes, streams, ponds, reservoirs, springs and wells. As water travels over the surface of the land or through the ground, it dissolves naturally occurring minerals and, in some cases, radioactive material, and can pick up substances resulting from the presence of animals or from human activity.

Continued

CONSUMER CONFIDENCE REPORT CONTINUED

Contaminants that may be present in source water include:

- Microbial contaminants, such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations and wildlife.
- Inorganic contaminants, such as salts and metals, which can be naturally- occurring or result from urban stormwater runoff, industrial or domestic wastewater discharges, oil and gas production, mining or farming.
- Pesticides and herbicides, which may come from a variety of sources such as agriculture, urban stormwater runoff and residential uses.
- Organic chemical contaminants, including synthetic and volatile organic chemicals, which are by-products of industrial processes and petroleum production, and can also come from gas stations, urban stormwater runoff and septic systems.
- Radioactive contaminants, which can be naturally occurring or be the result of oil and gas production and mining activities.
- In order to ensure that tap water is safe to drink, EPA prescribes regulations that limit the amount of certain contaminants in water provided by public water systems. FDA regulations establish limits for contaminants in bottled water, which shall provide the same protection for public health.

Term	Definition
AL	Action Level: The concentration of a contaminant which, if exceeded, triggers treatment or other requirements which a water system must follow.
Level 1 Assessment	A Level 1 assessment is a study of the water system to identify potential problems and determine, if possible, why total coliform bacteria have been found in our water system.
Level 2 Assessment	A Level 2 assessment is a very detailed study of the water system to identify potential problems and determine, if possible, why an E. coli MCL violation has occurred or why total coliform bacteria have been found in our water system, or both, on multiple occasions.
MCL	Maximum Contaminant Level: The highest level of a contaminant that is allowed in drinking water. MCLs are set as close to the MCLGs as feasible using the best available treatment technology.
MCLG	Maximum Contaminant Level Goal: The level of a contaminant in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.
MFL	million fibers per liter
MRDL	Maximum residual disinfectant level: The highest level of a disinfectant allowed in drinking water. There is convincing evidence that addition of a disinfectant is necessary for control of microbial contaminants.
MRDLG	Maximum residual disinfectant level goal: The level of a drinking water disinfectant below which there is no known or expected risk to health. MRDLGs do not reflect the benefits of the use of disinfectants to control microbial contaminants.
mrem/year	millirems per year (a measure of radiation absorbed by the body)
NTU	Nephelometric Turbidity Units
pCi/l	picocuries per liter (a measure of radioactivity)
ppm	parts per million, or milligrams per liter (mg/l)
ppb	parts per billion, or micrograms per liter (ug/l)
ppt	parts per trillion, or nanograms per liter
ppq	parts per quadrillion, or picograms per liter
TCR	Total Coliform Rule
TT	Treatment Technique: A required process intended to reduce the level of a contaminant in drinking water.

CONSUMER CONFIDENCE REPORT CONTINUED

DETECTED CONTAMINANTS

Your water was tested for many contaminants last year. We are allowed to monitor for some contaminants less frequently than once a year. The following tables list only those contaminants which were detected in your water. If a contaminant was detected last year, it will appear in the following tables without a sample date. If the contaminant was not monitored last year, but was detected within the last 5 years, it will appear in the tables below along with the sample date.

DISINFECTION BYPRODUCTS

Contaminant (Units)	Site	MCL	MCLG	Level Found	Sample Date (if prior to 2016)	Violation	Typical Source of Contaminant
HAA5 (ppb)	H1	60	60	0		No	By-product of drinking water chlorination
TTHM (ppb)	H1	80	60	3.8		No	By-product of drinking water chlorination

INORGANIC CONTAMINANTS

Contaminant (Units)	Site	MCL	MCLG	Level Found	Range	Sample Date (if prior to 2016)	Violation	Typical Source of Contaminant
FLUORIDE (ppm)		4	4	1.1	1.1	6/10/2014	No	Erosion of natural deposits; Water additive which promotes strong teeth; Discharge from fertilizer and aluminum factories.
NITRATE (NO ₃ -N)		10	10	0.04	0.04		No	Runoff from fertilizer use; Leaching from septic tanks, sewage; Erosion of natural deposits
SODIUM (ppm)		n/a	n/a	1.74	1.74	6/10/2014	No	n/a

CONSUMER CONFIDENCE REPORT CONTINUED

INORGANIC CONTAMINANTS

Contaminant (Units)	Action Level	MCLG	90th Percentile Level Found	# of Results	Sample Date (if prior to 2016)	Violation	Typical Source of Contaminant
COPPER (ppm)	AL=1.3	1.3	0.5350	0 of 10 results were above the action level	6/18/2014	No	Corrosion of household plumbing systems; Erosion of natural deposits; Leaching from wood preservatives
LEAD (ppb)	AL=15	0	2.0	1 of 10 results were above the action level	6/18/2014	No	Corrosion of household plumbing systems; Erosion of natural deposits

RADIOACTIVE CONTAMINANTS

Contaminant (Units)	Site	MCL	MCLG	Level Found	Range	Sample Date (if prior to 2016)	Violation	Typical Source of Contaminant
RADIUM		5	0	1.5	1.5	6/10/2014	No	Erosion of natural deposits

HEALTH EFFECTS FOR ANY CONTAMINANTS WITH MCL VIOLATIONS/ACTION LEVEL EXCEEDANCES

CONTAMINANT HEALTH EFFECTS

LEAD	Infants and children who drink water containing lead in excess of the action level could experience delays in their physical or mental development. Children could show slight deficits in attention span and learning abilities. Adults who drink this water over many years could develop kidney problems or high blood pressure
------	--

ADDITIONAL HEALTH INFORMATION

If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing. Elk Mound Waterworks is responsible for providing high quality drinking water, but cannot control the variety of materials used in plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing your tap for 30 seconds to 2 minutes before using water for drinking or cooking. If you are concerned about lead in your water, you may wish to have your water tested. Information on lead in drinking water, testing methods, and steps you can take to minimize exposure is available from the Safe Drinking Water Hotline or at www.epa.gov/safewater/lead.

BOARD MINUTES MARCH 22, 2017

The March 22, 2017 meeting of the Board of Trustees for the Village of Elk Mound was called to order by Tom Gilbert, Village President at 7:00 p.m. in the Municipal Building.

Patricia Hahn, Clerk-Treasurer, verified that proper notice of the meeting had been posted.

Roll call showed Steve Abraham, Tom Gilbert, Rebecca Livingston, Tony Schrantz and Terry Stamm present. Brenda Carpenter and Greg Kipp absent.

APPROVAL OF MINUTES

Stamm/Schrantz moved and seconded a motion to approve the Minutes of February 15, February 22, and March 8, 2017 as presented. Motion carried.

PUBLIC APPEARANCE:

There were no public appearances.

CITIZEN'S FORUM – (PUBLIC INPUT)

Tyler Bower, E8844 355th Avenue, Elk Mound spoke to the Board regarding a Boy Scout Project. The project would involve building a permanent 14x30 Farmers Market pavilion. They will be doing a fund raiser and hope to raise the needed funds by this fall. The consensus of the board was to have them proceed and keep in contact with Mark Levra, Public Works Director.

Bowdrie Noller. 312 Mound Park Drive reported on his Eagle Scout project. They have raised more than \$2,000.00 so far for an additional score board at the Village Park.

APPROVAL OF GENERAL FUND AND WATER/SEWER UTILITY JOINT VOUCHERS

Gilbert/Livingston moved and seconded a motion to approve the payroll direct deposit numbering V1750-V1776 for a total of \$24,203.28 and Combined Checks 28853- 28901 for a total of \$338,280.02. Motion carried.

APPROVAL OF TID VOUCHERS

There were no TID vouchers.

PERMITS – BUILDING; WATER/SEWER APPLICATIONS FOR SERVICE/TAP PERMITS

There were no Building Permits issued.

REPORTS BY OFFICIALS:

Water/Sewer Report

The Water/Sewer Report was presented by Mark Levra, Director of Public Works. The report is on file in the Public Works office.

In addition Mark Reported: The aerator has developed a small leak in the bottom of the tank at the Well House #2. It has been leaking approximately 3 to 5 gallons of water per day since last Friday. Tainter Machine will be welding a new bottom in the tank by mid next week. The cost is estimated at \$500 to \$1000.

The Village has received the 2016 Reservoir Tank Inspection Report back from Lane Tank. He has a hard copy at this meeting. Mark plans to have it on the Power Point for the next meeting for further discussion. Other than some grading concerns the tank looks good according to Lane Tank.

Director of Public Work's Report

The Director of Public Work's Report was presented by Mark Levra, Director of Public Works. The report is on file in the Public Works office.

In addition, Mark reported:

Len Hemenway's retirement date is approaching. His last day of actual work is Sunday, April 9th. He does plan to use vacation until approximately the end of April. There has not been a written date given yet.

It was the consensus of the Board to give a \$50 Chamber Bucks certificate and plaque to Len Hemenway who is retiring the end of April 2017. (Continued Page 9)

BOARD MINUTES MARCH 22, 2017 CONTINUED

POLICE CHIEFS REPORT

Travis Hakes presented the CAD police report from Dunn County.

Standing Committee Reports:

Public Works & Streets

Terry Stamm reported that the Public Works & Street's Committee did not meet.

Public Safety

Tom Gilbert reported that the Public Safety Committee did not meet.

Property & Finance

Terry Stamm reported that the Property and Finance Committee did not meet.

Employee Relations

The Employee Relations Committee did not meet.

Special Committee Reports

Plan Commission: The Plan Commission did not meet.

Patricia Hahn reported that the Plan Commission will be meeting April 5th at 6:00 p.m. regarding an Extraterritorial Plat Review Application by Alex DeCook, 2522 CTH N, Colfax, WI. The owner of the property is David Gilbertson, 1176 20th Avenue, Elk Mound, WI.

This will be on the Board agenda for final approval as well on April 5th, 2017.

Report from Fire Board Representative

Greg Kipp Fire Board Representative reported:

There were 3 runs last month.

Assisted Wheaton Fire Department in a large barn fire.

Medical assistance for a person that had fallen.

Garage fire

Estimate for tires on Fire Engine \$3,500

Will be placing public advertisement for replacement of Fire Station roof.

Received ISO Audit-Village went from a 6 to a 5, outside Village went from a 9 to a 5y which is the same as an 8.

Report from Dunn County Solid Waste Recycling Board Representative

Terry Stamm, Representative for the Dunn County Solid Waste Recycling Board reported that the Board did not meet.

Colfax Rescue Squad Monthly Report

Don Knutson provided the January and February 2017 Colfax Rescue Squad monthly reports to the Village Clerk for inclusion to the presentation to the Village Board. These are on File in the Village Clerks office.

COMMUNICATIONS & MISCELLANIOUS BUSINESS AS PERMITTED BY LAW

Patricia Hahn presented the Budget Comparison Report.

Tom Gilbert was concerned if someone other than an employee worked on Village equipment. He said that this item should be on the next Board agenda.

Unfinished Business:

Village Attorney Policy

Gilbert/Abraham moved and seconded a motion to approve the Village Attorney Policy as presented. Motion carried.

Closed Session Procedure

Schranz/Stamm moved and seconded a motion to approve the Closed Session Procedure as presented. To include the recommendations stated. Motion carried.

New Business: None

VILLAGE PARK RENTAL INFORMATION

The park offers men's and women's restroom facilities, a lighted pavilion with 15 picnic tables, soccer fields, volleyball nets, horse-shoe pits, a basketball court and new playground equipment. The park pavilion is a perfect place for food preparation; offering kitchen utilities including stove, refrigerators and chest coolers, 4 grills and a large serving counter.

See calendar of availability at www.elkmound.org and click on calendar. Booked dates will show up with Pavilion Reserved.

The Village park is available for rent for \$100.00 per day for Elk Mound Village Residents, and \$150.00 per day for Non-Residents. These fees go toward the cost of continuous park maintenance, along with cleanup and garbage removal for your specific event. Any proceeds from park rentals will go toward the park playground equipment.

Keep in mind there may be other activity on the ball fields as they are rented separately. We have a very active baseball youth group in the area.

The baseball and softball schedules are available on our website: www.elkmound.org. Click on calendar to see various events. If the pavilion is already reserved it will be noted on the calendar.

Park pavilion and ball field reservations can be made by contacting the clerk's office at 715-879-5011.

BOARD MINUTES MARCH 22, 2017 CONTINUED

Adjourn

Gilbert/Schranz moved and seconded a motion to adjourn the meeting. Motion carried.

Patricia Hahn

Clerk/Treasurer, WCMC, CMC, CMTW

Board Minutes April 5, 2017

The April 5, 2017 meeting of the Board of Trustees for the Village of Elk Mound was called to order by Tom Gilbert, Village President at 7:00 p.m. in the Municipal Building.

Patricia Hahn, Clerk-Treasurer, verified that proper notice of the meeting had been posted.

Roll call showed Steve Abraham, Brenda Carpenter, Tom Gilbert, Gregg Kipp, Rebecca Livingston, Tony Schranz, and Terry Stamm present.

Public Appearance: Kim Shult, Baker Tilly-Village Audit

Kim Shult presented the Village Board with the 2016 Audit Report.

Citizen's Forum - (Public Input)

No one was signed up for the Citizen's Forum

(Continued on Page 11)

BOARD MINUTES APRIL 5, 2017

Communications & Miscellaneous

Business as Permitted by Law

Terry Stamm reported that the Plan Commission met before this meeting to review the ETZ Application and Certified Survey Map presented by Tammy Boos, Nelsen Surveying on behalf of Applicant: Alex DeCook and Owner: David Gilbertson. The CSM & Application was approved by the Plan Commission. This will be on the April 19th Board agenda for action by the Village board.

Unfinished Business: None

There was no Unfinished Business.

New Business:

Discuss/Approve Summer Maintenance Worker

Carpenter/Livingston moved and seconded a motion to hire Jonathan Chisholm again this year for the Summer Maintenance Position @ \$11.00 per hour. Motion carried.

Review/Approval of Consumer Confidence Report

Stamm/Kipp moved and seconded a motion to approve the Consumer Confidence Report as presented by Mark Levra. Motion carried.

Purchase of new Zero Turn Mower & Vacuum Trailer

Carpenter/Gilbert moved and seconded a motion to purchase a Kubota Mower from Value Implement in the amount of \$13,650.00 and a pull behind vacuum trailer no to exceed \$2100.00 Motion carried.

Review of Reservoir Inspection Report

Mark Levra, Public Works Director reported that the Reservoir Inspection was good. There were no major deficiencies at this time. The only repairs needed are to add some foam seals around the hatches which were already completed. In addition, add dirt to the top of the reservoir to insure proper drainage. The next inspection will be in 2021, per DNR requirements. The cost of the Inspection was \$1950.00.

Gilbert/Stamm moved and seconded a motion to adjourn the meeting. Motion carried.

Patricia Hahn
Clerk/Treasurer, WCMC, CMC, CMTW

Board Minutes April 11, 2017

The April 11, 2017 meeting of the Board of Trustees for the Village of Elk Mound was called to order by Tom Gilbert, Village President at 7:00 p.m. in the Municipal Building.

Patricia Hahn, Clerk-Treasurer, verified that proper notice of the meeting had been posted.

Roll call showed Steve Abraham, Tom Gilbert, Gregg Kipp, Rebecca Livingston and Terry Stamm present. Absent: Brenda Carpenter and Tony Schrantz.

Discussion of Audit Report and Recommendations

The board discussed the audit report. No formal action was taken.

Gilbert/Stamm moved and seconded a motion to adjourn the meeting. Motion carried.

Patricia Hahn
Clerk/Treasurer, WCMC, CMC, CMTW
